IPATA Member

GVL is a member of the International Pet and Animal Transportation Association, an organization dedicated to professionalism in the animal transport industry and the safety, health and comfort of all animals in their care.

The Help and Support You Need

We've done the hardest work for you by:

- ✓ understanding international travel documents
- ✓ researching each country's requirements
- ✓ ensuring our documents are valid and accurate
- ✓ gathering the resources you need

Our team helps with all country requirements and provides unmatched support every day from 7:00 a.m. to 7:00 p.m. (CST).

Our support for countries includes:

- US travel documents
- rabies vaccination certificates
- international health certificates
- APHIS forms and other required materials
