

Save 15% on DEA compliance consulting services.

(And save 100% of the sleepless nights worrying about it.)

Through a unique partnership between PSiVet and The TITAN Group—a leader in DEA compliance consulting—PSiVet members can save 15% on compliance consulting and online CE courses.

TITAN Group is a full-service regulatory compliance, drug security and anti-diversion solutions provider, founded by retired DEA Supervisory Special Agent, Jack Teitelman. With decades of experience in law enforcement, security and private-industry, the TITAN team is dedicated to helping veterinary practices stay compliant, avoid penalties and deter criminal activities.

Because they've been the DEA, they know the DEA. And they're in your corner.
