

Stride Bank is proud to offer lending solutions that meet the needs of the veterinary services industry and PSIVet members. Our veterinary lending specialists have actual on-the-job experience in veterinary operations, which makes us the perfect partner to help turn dreams into reality. With this experience and our consultative approach to lending, we can find the right solution to fit your needs.

Our Loan Options:

- Revolving lines of credit for operating and working capital
- Loans to acquire or refinance equipment
- Refinancing existing debt
- Commercial Real Estate loans
- Ground-up construction
- Expansions and remodels
- Small Business Administration loans
- USDA loan for rural practices
